Principals Report:

Ready Set Learn is coming up on May 28th and the school is in need of a few people to make grilled cheese sandwiches. Is the PAC interested in doing this. Yes.

The slide has been installed.

Chair Report:

Jen didn't pick up the balls from Costco because they seemed more expensive then discussed. She would like to talk to the teachers about what they would like for their classroom. She will send out a letter to the teachers this week to find out what they need.

The tables for the library have arrived but still need to be put together. There are also two couches coming for the library. Sara is also looking at a love seat for the hallway.

The February and March minutes have been put on the website.

Jen Crosman and Vickie Maddoks will be doing the Food Safe course on Monday May 13th. It will be paid for by DPAC.

We received a thank you card from Mrs Oats for the prizes for battle of the books.

Mrs Beads has asked to borrow our mustard and Ketchup. All in favour

Mrs. Shilling's Fresh is Best order was left out and spoiled. We should offer her a refund for the spoiled items or replacement of the products. Someone will speak to her and see what she wants.

We are still waiting on info for the May rewards at AG Foods. We are hoping to do it May long weekend. Possibly the Friday or Monday

Picket fence sent a mock-up and a quote for T-shirts. The price would be 9.86 each. The price is based on a 12-25 shirt order and would be sold for \$15 each. Many PAC members feel that the graphic is not something that parents or students would be interested in. May be a good idea to purchase for the PAC to wear at PAC events.

Jen would like to start a small committee to start planning for a fall carnival. This will be discussed at the next PAC meeting.

The welcome back BBQ will be discussed at the next PAC meeting.

Candice is getting ready to do the Great Little Coupon Book in September. She is hoping to have the orders out at the beginning of September.

Bee Substance Aware:

The event had a good turn out. Some kids came without parents. The male speaker was wonderful and so was the risk assessment game. There were only two children in the child care room
Some people found the bees on the flier confusing
If we do it again people will have to sign up for child care.

Track and Field:

The grade seven students did not get a proper track and field day. If there is no track and field at the high school then next year maybe we should invite them to participate in the elementary track and field.

Fun Day:

Candace has notices to be printed and handed out to parents looking for volunteers.

Outdoor Classroom:

Jen has arranged a work bee for with the foundation on May 25th. We will be doing some landscaping and making it more accessible for carts and wheelchairs.

Budget:

We have a tentative budget for next year. Michelle will have draft budget for next meeting.

AGM in June:

If you would like to be on the executive you must have your nominations in to Jen by June 7th so Jen can have the ballots made up for the meeting.

These are available positions

President; Vice President; Secretary; Treasurer; DPAC Rep

Jen will post this info on the Face book page as well as send a notice home via email. We will vote at the next meeting.

Next Meeting:

June 11th 8:45
