Mrs Dunstan, Mrs Scott and Mrs McCloy are leaving. Mrs Mc Dougal is returning and we will be getting a new teacher, Johnathan McCougherty.

We have two new couches for the library.

We will be down to 10 divisions next year.

Chair:

We had an executive meeting to consider buying one of the extra tables that were sent to the school. We decided to buy one table giving the library a total of 4.

We had planned the back to school BBQ for the first Friday of the new school year. The teachers would prefer if we moved it to the following week possibly Wednesday or Thursday.

Wednesday September 11th

Vicki and Jen both passed their food safe.

Five teachers responded to Jen's letter asking about classroom equipment. Jen purchased the requested items. Mrs Mathews handed her form in later so she does not have her stuff yet.

The first DPAC meeting will be September 17th at 6:30pm

Fund raising:

The eco depot has donated another \$456.17 in bottles. We could also have an account set up at the bottle depot so people could donate to us if they want.

Fun Day:

We don't have many volunteers yet. But hopefully there will be more soon. There are no volunteers from the high school yet. Cory will follow up with the high school. There are three stations that could be teacher led. Candice is setting up a photo booth to take group photos of the students.

Outdoor Classroom:

There was a work bee on May 23rd. There were 10 adults and 8-10 children. The foundation donated \$1200 and 5 staff members to help. Everything is looking really good.

We don't have the final numbers yet but it should be here by the end of July. The school district will be removing the gravel and putting in fibre fill this summer and the climbing structure will be installed at the same time.
