

PAC Executive Meeting  
November 27<sup>th</sup> 2018  
12pm - BES

An executive meeting was called due to a request for funds from Mrs Young's Kindergarten class. They have asked for some money to buy a large coffee pot or tea kettle and non-breakable cups, as well as some hot chocolate mix. This will be accessible to other classes to use and would be used to warm up after using the Outdoor Classroom in cooler weather.

We have decided we will pay up to a hundred dollars for supplies such as a coffee maker and hot chocolate mix. Jen will donate 24 Tupperware mugs and spoons. Mrs. Young can then purchase the coffee maker and supplies and provide us with a receipt.
